Milk Makes War Workers Rugged

By Dr. James A. Tobey. Important vitamin D is being homogenized, a process which...

Sons of Rotarians in service are... The picture is of a hangar...

William Cooke, Jr., of Beckett Avenue, Shore Beach, has enlisted...

Anderson, was promoted recently to the rank of warrant officer.

Corp. Phillip Peterson, son of Mr. and Mrs. Fritz E. Peterson...

William Tucker who is at Newport, R. I. for a few weeks at his home in Short Beach on Sunday.

Psychology is great stuff. I don't know too much about it, but...

They tell me, for example, that it's good psychology to relax once in a while...

And I think they're right just so long as we don't forget to get back into the swing of things.

Some of us, however, don't have time to relax. Like nearly everyone else, The Connecticut Light and Power Company has a job on its hands these days...

That's why the utilities have men on the job at power plants, substations and control boards 24 hours a day.

Because we know the boys in the Solomon don't have time to relax even though it's good psychology. And because we know that electricity helps deliver the goods to Uncle Sam.

Just as we know that... ELECTRICITY IS STILL CHEAP

REEDY KILBETH

WHAT NOTS

Cracker Jack First Aider Bob Thompson was given an opportunity Friday night to treat himself for injuries—injuries to his pride rather than physical bruises.

William Tucker who is at Newport, R. I. for a few weeks at his home in Short Beach on Sunday.

Chief Petty Officer John A. Derling of East Haven is on duty in the Pacific.

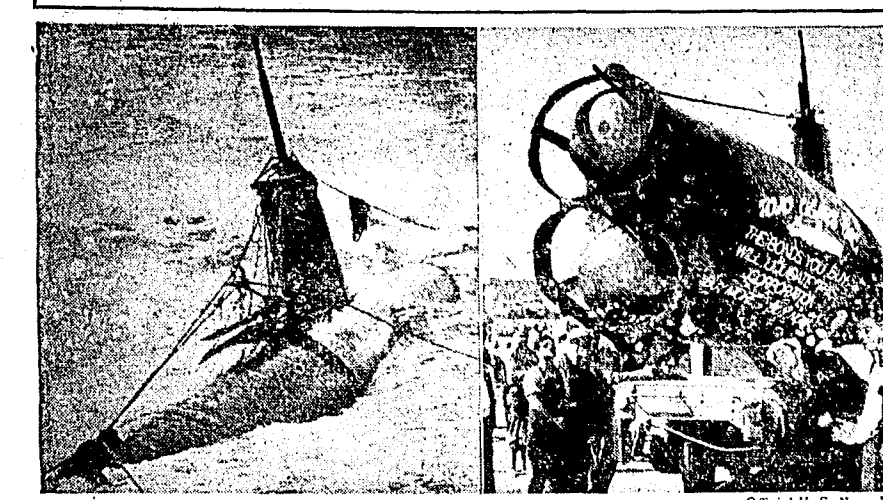

Corp. William E. Tomlinson, son of Mr. and Mrs. H. R. Tomlinson, 44 Bradley Avenue is at Camp Pickett, Va.

Frederick W. Diehl, son of Mr. and Mrs. Frederick W. Diehl, 500 Thompson Avenue, East Haven is located at Camp Pickett, Va.

The Old Stone Church honor roll now contains over 60 names. Recent additions have been: Army, Philip B. Tarsell, Jr., Howard Snyder, Justin Fairchild, Donald King, Fred Nitche, Lincoln Harrison, Seward Everts, Howard Myers, Allen Johnson, Mary, Russell Pierce, Henry F. Clinton, Milton Sampson, Richard E. Walker, Bertha; Beverly Burgess.

It has been learned that Robert Ball of Harding Avenue, stationed at Marianna, Fla., has been advanced to a Corp.

RAF'S OWN STORY OF GREMLINS TOLD BY PILOT

During the battle of Britain, when only the stout hearts and incredible recklessness of the R.A.F. saved the island from the Germans, was born the most fascinating tale of the Little People since Alice in Wonderland.

Many, many years ago, the legend told by the pilots of the R.A.F. was that the gremlins and the gnomes and the pixies. But one of the clan of tiny people was vastly different from all the rest.

The Gremlins had lived in the woods for thousands of years, the serious Air Force pilots will tell you. And it wasn't until their wood was suddenly invaded by tractors and their trees pulled down that the gremlins called a meeting of the clan and it was decided to split up into small groups, each to take care of its own territory.

It is expected that when the motorist appears for his national gasoline ration card the ration book will be refused unless the applicant certifies that he has no more than five tires per car.

The Young Mr. and Mrs. Club was held on Tuesday evening at the home of Mrs. Carl Smith of Sea Hill Road. The business meeting was followed by a social time and refreshments were served at the close of the evening.

Railway Office Accepting Tires

The Branford branch has undertaken along with other Railway Express Agencies, the job of receiving the country's excess passenger car tires for delivery to Warrenton Supplies Corporation warehouses.

Citizens were ordered, as of October 15 to turn over to the Office of Price Administration all tires in addition to the five necessary for minimum operation.

Such tires, and tubes as well, may be deposited with the local office, Montowese Street, between the hours of 9-10:30 in the morning or 4:30-5:30 afternoons. The office applies to castings, not inner tubes, but tubes are acceptable.

It is expected that when the motorist appears for his national gasoline ration card the ration book will be refused unless the applicant certifies that he has no more than five tires per car.

The local War Price and Rationing Board is asking all to comply with the new requests for re-registering passenger cars. In order to eliminate delays and mistakes in mileage rationing, the Board will hold re-registering of all passenger cars A-B-C-D books on Thursday, November 19 and Friday, November 20 at the William Douglas School in Northford and the Jerome Harrison School in North Branford from 2 to 5 and from 6 to 9 with the teachers.

NORTH BRANFORD

Services in the local churches on Sunday will be: Masses at 8 o'clock in the Northford Community House and at 9:15 o'clock in St. Augustine's R. C. Church, Rev. John J. McCarthy, pastor, Miss Grace Bernard, organist and choir director.

Holy Eucharist will be celebrated at 8:30 o'clock at the Zion Episcopal Church, Rev. Francis J. Smith, Rector, Mrs. Platt R. Hawkins, organist and choir director. Sunday school will follow each Mass, with instructions by Dominican Nuns from New Haven.

The local War Price and Rationing Board is asking all to comply with the new requests for re-registering passenger cars. In order to eliminate delays and mistakes in mileage rationing, the Board will hold re-registering of all passenger cars A-B-C-D books on Thursday, November 19 and Friday, November 20 at the William Douglas School in Northford and the Jerome Harrison School in North Branford from 2 to 5 and from 6 to 9 with the teachers.

The North Branford Fire Association is holding a business meeting at the Summit House in Branford Tuesday evening with Walter Childsey, president, in charge. Persons interested in matters pertaining to the fire department are invited to attend this meeting.

Mrs. Francis J. Smith opened her home, the Rectory, on Monday afternoon for a meeting of the Zion Parish Guild. Red Cross work followed the regular Guild business.

Seeing is Believing

SAFETY... THOUSANDS OF EYES OF WAR WORKERS ARE BEING SAVED BY PROTECTIVE GLASSES. ILLUSTRATION SHOWS SCREEN WORN BY WOMAN OPERATING LATHE IN MAKING GUNS. MILLIONS OF OTHERS OF PRODUCTION ALSO ARE SAVED THROUGH SUCH DEVICES.

Two eyes are better than one, for the world would be a very different place if human beings had only one eye. Says the Better Vision Institute.

Mr. and Mrs. Mildred Carlson and little son, Walter Daniel of Long Island, were recent visitors in the home of Mr. and Mrs. Charles R. Leonard of Branford Road.

Mr. William Druggan met with the high school boys and girls of St. Augustine's parish at the Rectory on Tuesday night for study and a social hour. The evening closed with refreshments.

RIGHT OUT OF THE AIR

JEAN HOLLOWAY, pictured here, is the youngest acrobat of the major touring circuits. She started to fame via the Kate Smith radio show.

Hour and hour collaborators with Charles Tazewell in penning the episodes for Lionel Barrymore's 'The Mayor of the Town' over CBS Wednesday nights. She is 22 and came to radio direct from the Coast Guard Academy.

Norman Corwin's 'Daybreak' also has been published by Farrar and Hinehart, under the program's title, 'Treasury Star Parade.'

Right at home during the all-girl orchestra's visit to army camps is Marion Williams, pictured here, beautiful first sopranoist of Phil

Junior High School Notes

Dance on November 20, 1942. The time will be from 8:00 to 11:45. Tickets are twenty-five cents and will be on sale Monday. There will be a door prize. Everyone is invited to attend.

Home rooms have been choosing the people that they thought helped the most in the scrap drive. The five highest in the Junior High are: Earl Oppel, Robert Lake, Secretary, Billy Mischler, Treasurer, Billy Mischler, Review Editor, Nancy Shepard, Reporter Editor, Carol Erickson.

Baseball has started. Division 8-A played 8-B on Monday, November 16, and won by a score of 22 to 3-3. Will not play any games because they did show up at the game. Monday, Billy Mischler decided the game for 8-A by striking a foul shot.

Division 8-A, played 8-B on Tuesday, November 17th. 8-A won by a score of 22 to 2 on Tuesday, November 17th. Room 72 won by a score of 22 to 14.

Another aircraft company shares profits from its own inventions whenever they are licensed to outside companies.

Service

Observers of different shifts have had visitors of different kinds, but we of the 4-8 shift, see a blacked-out riding a bicycle and pushing a baby carriage along a clothes line—and all we drink is coco-cola.

Some of you fellow observers may have had visitors while on duty! I ask you, has anybody on the 8-10 A. M. shift especially, a dog come to keep you company? Not only did he come to see you once, but he came back a second time. Perhaps to keep our feet warm? I bet Grace Smith and Laura Elsworth were very nice to this dog and perhaps will bring a bone the next time the temperature is 20°.

Hands cold? Stick 'em in the chimney! Too bad you can't get your feet in too says Charlie Cole.

We are thinking seriously of having a special plane pass over the O. P. so that Frank Coyle and George Hennings can report it, as they have been on the 4-8 M. shift for a year without reporting even "one" plane.

When you come down here from 4-8 in the morning, go out and scan about for planes, don't stand about just yawning. And whatever you do, don't sit down or else you'll fall asleep. Then should you be caught by our dear boss, Chief Cate, that's all for you Brother.

4-Hers Stepping Up Food Output With Electricity

Four-H boys and girls throughout the nation, striving to help fill the largest order for food production in the annals of agriculture, are plugging electricity to work in many ingenious practical ways.

Among homemade adaptations of electric power disclosed in records of 1942 State winners is the National 4-H rural electrification contest, electrically-operated lamb, pig, and chick brooders, corn shellers, grain grinders and elevators; egg and poultry coolers, and stoves; plant hoists, and milking separators, churners, and milk utensils.

Other 4-H'ers are acquiring knowledge of electricity's practical uses in their beef cattle, swine, sheep, poultry, dairy, crops, truck gardening, food preparation and preservation, clothing, handicrafts, and home improvement projects. Recent special bulletins prepared by the donor's rural electrification department.

SPEAKING OF HEALTH

Will the rationing or shortages of food imperil our health this winter? That is the question in the minds of many people as we approach the first full winter of American life.

Certainly any sacrifices we civilians may make to assure the armed forces of plenty of meat, coffee, sugar, and a lot of other things they need will be begrudged by few.

Substitutes for Meat We can learn something about rationing and benefit ourselves, for instance, by learning about possible substitutes for meat, which, among other things, supplies us with a large part of our protein intake.

PACK LUNCHES WITH APPEAL

The homemakers of America also have been called upon to serve their country. By feeding their families properly they are keeping the "home front" healthy and ready to tackle the most arduous jobs.

But this job of three-meals-a-day isn't an easy one. And in many households more than one bread and extra lunches are being prepared to plan and pack lunches.

Vegetable soups (in thermos) Cheese Sandwiches Milk Relishes Fruit Tarts Vegetable Chunks (in thermos) Chopped Meat Sandwiches Carrot Sticks Cookies

THE KITCHEN FRONT

Beef tops, turnip tops, like spinach, kale, help to make you healthy and hale.

INDUSTRY is seeking to find that which food eaters, either nation or individual, need for health and is helping them get it. "Victory Lunches," containing at least one-third of the day's nutritional requirements, are served at plant cafeterias at cost.

Change the seasoning of greens and there is more vitamin content to be considered when serving them. Lemon butter is especially good and differs in favor from vinegar. Again, you might dress the greens with olive oil and vinegar or lemon juice. Some like the added snap of horseradish to top up the flavor of the greens.

MOVIE GUYED

HOLLYWOOD GOSSIP Two years ago, Susan Peters set a three-year deadline on her chances of becoming a movie star. A few short months ago, it didn't look like she would ever make it.

Mr. and Mrs. Mildred Carlson and little son, Walter Daniel of Long Island, were recent visitors in the home of Mr. and Mrs. Charles R. Leonard of Branford Road.

Mr. William Druggan met with the high school boys and girls of St. Augustine's parish at the Rectory on Tuesday night for study and a social hour. The evening closed with refreshments.

At State Theatre

Two Soldiers Write New War Bond Theme Song, "Ev'rybody Ev'ry Payday"

Corp. Tom Adair (left) and Sgt. Dick Uhl (right), Army buddies, write new War Bond theme song which Treasury Department will feature from coast to coast shortly, all profits from radio, juke boxes and sheet music versions to go to Army Relief. Copyright was turned over to Government and registered in name of Secretary of the Treasury, Henry Morgenthau, Jr.

WASHINGTON, D. C. — Two young soldiers have combined their musical talents to write a new United States War Savings Bond theme song, "Ev'rybody Ev'ry Payday," which will soon be heard from coast to coast on the radio, in theatres and from juke boxes. The song will be released in sheet music and records, all profits going to Army Relief. The composers, Sgt. Dick Uhl and Corp. Tom Adair, turned over the copyright to the Government for registration in the name of Secretary of the Treasury Henry Morgenthau, Jr. Release of "Ev'rybody Ev'ry Payday" at this time is particularly timely because the War Savings Staff of the Treasury Department is preparing to launch a nationwide payroll savings campaign to "top that 10 percent by New Year's."

Sgt. Uhl and Corp. Adair have completed a tour of duty with the Treasury Department, during which they composed several songs to promote the sale of War Bonds and Stamps. Uhl is now back at Camp Forrest in Tennessee while Adair has returned to Fort Jackson in South Carolina. Uhl and Adair came to the Army from radio and met at Fort Jackson, where they were assigned to the orchestra. Uhl, one of four brothers in military service, is a native of Wilkes-Barre, Pa., and graduated from Princeton in 1939. Adair was born in Newton, Kansas, and graduated from Los Angeles City College. Adair is well known in Tin Pan Alley, having written several hits. Among the songs for which he wrote the lyrics are, "Let's Get

Away From It All," and "Everything Happens To Me." The new War Bond theme song's lyrics, written by Corp. Adair, follow:
Ev'ryone can help to save the nation
Ev'ryone can help to win the war
There's no time for restin'
Let's begin investin'
In the things our country's fighting for.
Ev'rybody ev'ry payday
Buy a Bond the U. S. A. Way
That's the job, it's up to you
and me
Butcher, baker, banker, scholar
Take a dime from ev'ry dollar
Ev'ryone pitch in for victory.
Ev'rybody ev'ry payday
Ev'ry farmer ev'ry hayday
Top the crop with dimes for Uncle Sam
Ten per cent, That's the rent
Ev'ryone can pay
For a home in the U. S. A.
U. S. Treasury Department

Lanphier's Cove

Mrs. Frank Seller of Hamden was a guest Tuesday afternoon of Mrs. Arthur Peterson.

The Good Fellowship Dramatic Club met Monday evening with Mr. and Mrs. Paul Rinker.

Bobby Rinker celebrated his 7th birthday with a party for the following playmates: Kenneth Howd, Phillip Polier, Martin Hallier, Clifford, Robert and Dan Peterson, Jerry Hayward, Leah Wait, Jeanne Wait, Edith Wardle and Mrs. Charles Wait.

William Peterson was in New York City, Saturday.

Madeline Peterson was a week end guest of Mr. and Mrs. Frank Miner of New Haven.

Mrs. Hubert Saunders was guest of honor at a shower Monday evening given at the home of Mrs. John Russell. Guests included Mrs. Henry La-Croix, Mrs. Virginia Vincent, Miss Jean Dee, Mrs. Katherine Saunders, Mrs. Reginald Babcock, Mrs. Robert Starr, Miss Alice Belmore, Mrs. Charles Duffy, Mrs. Edward

Nettleton, Mrs. Irene DeMers, Miss Dorothy Babcock, Miss June Russell, Miss Ruth Russell.

Air raid wardens in this district have secured the Old Riverside Fire Department Alarm and hope to put it into working order before the next air raid alarm.

Public Advised

Continued From Page One
ors, marines and civilian friends are not to be disappointed at Christmas time, the public must cooperate by mailing earlier than ever before and by addressing letters and parcels properly. The best efforts of the Post Office Department alone cannot be enough, in view of wartime difficulties faced by the postal system. The public must assist.

About 25,000 experienced postal workers already have been taken by the war services. Arrangements are under way to add thousands of temporary personnel to postal staffs, but this man power is hard to find and is inexperienced. Facilities of railroads and air lines are heavily taxed by movements of huge quantities of war materials and personnel. Extra trucks are almost impossible to obtain. Win-

East Haven High School Notes

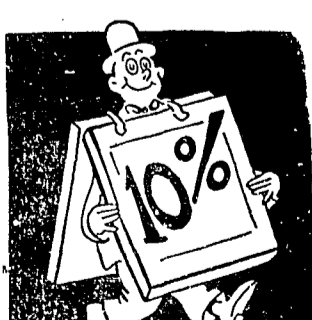

Robert Heffernan, son of Mr. and Mrs. Thomas Heffernan of Thompson Avenue was elected president of the junior class at the high school on Tuesday, November 17. Other officers are: William Walsh, vice president; Astrid Johannesen, secretary; and Robert Blanchard, treasurer.

In the history classes of the local high school, a project is being carried on whereby students are sending Christmas boxes to graduates of the school serving in the armed forces. Contributors to this fund will have their names posted in an honor roll. Miss Daisy Geenty, instructor in American history, is directing the project with the aid of Barbara McLaughlin, chairman of the committee.

ter weather, hampering transportation, is beginning.

The free-mailing privilege granted members of the armed forces has raised their mailings some 30 per cent, it is estimated. Expansion of those forces also is adding rapidly to the postal burden.

The Post Office Department is making strenuous efforts to avoid such a terrific jam as it faced in 1918 under similar conditions, during the First World War. It can succeed in those efforts—and avoid many heartaches for its patrons—if the public will cooperate by mailing early.

industries cannot be allowed to suffer. A certain amount of light is necessary for these plants to operate. But the regulations are intended to eliminate all lights that are not vitally necessary to the war effort. War production must go on with the least possible hindrances.

Regulations for the control of lighting in coastal and metropolitan areas are necessary to reduce permanently certain lighting, for the protection of the commerce of the United States and the United Nations from damage or destruction by enemy attack, for the prevention of enemy action against our shores, and for the control of lighting in critical areas so as to reduce the dangers from hostile air operations.

NATIONAL BOOK WEEK

During National Book Week, November 16 to 20, a series of programs will be presented over the loud speaker system in the high school under the sponsorship of Miss Bernice Hall, school librarian, with the cooperation of the English department. Students from the English classes will dramatize sections from books from the school library on Monday, Wednesday and Friday. Teachers directing the program are Misses Grace Blanchard, Hortense Galn, Helen Struzinski, and Gladys Zulau.

YOUNG G.O.P. MEETS

Members of the Young G.O.P. club met at the Summit House in a body to attend the meeting of the New Haven County Young Republican Club. Mrs. Charlotte Miller and Robert H. Gerrish, newly elected East Haven representatives in the General Assembly, attended. The toastmaster was Judge Ellsworth B. Foote of North Branford and guests included Major Ranulf Compton, of Madison, Mayor Francis Danaher of Meriden, Lieut. Governor William Hadden of West Haven and others.

The High School PTA meets this afternoon in the school library.

ANNIVERSARY DINNER

Reservations for the 50th anniversary dinner of St. Andrew's church will be held in the chapel November 20, may be made through Mrs. G. Archer Quick, Mrs. Ralph Rockwell, Miss Edith Clark or Miss Elizabeth Welch. Reservations are limited to 100.

Dimout Rules

Regulations for the control of lighting in coastal and metropolitan areas are necessary to reduce permanently certain lighting, for the protection of the commerce of the United States and the United Nations from damage or destruction by enemy attack, for the prevention of enemy action against our shores, and for the control of lighting in critical areas so as to reduce the dangers from hostile air operations.

In furtherance of the above objectives and in compliance with the order of the Commanding General, Eastern Defense Command and First Army, dated November 13, 1942, the revised regulations are hereby established for the control of lighting within the dimout areas defined, effective November 30, 1942, from one-half hour after sunset each night until one-half hour before sunrise the following morning for the duration of the war or until such time as these regulations may be rescinded or amended.

All automotive vehicles shall conform to the following:

The upper half of each headlight lens shall be completely obscured by black paint, tape or other opaque material.

Automobile vehicles shall be operated at a speed not in excess of thirty miles per hour.

In thickly settled communities the lowest beam in the headlight system should be used.

All parked vehicles shall have all lights, except parking and tail lights, extinguished.

Miss Madolyn Zacher was elected treasurer of the State Officers' and Regents' Club of the Connecticut D.A.R. at a meeting held in Bridgeport Thursday.

Mrs. Curtis recently moved to Meriden from Indian Neck. Mr. Curtis was formerly employed by the Conn. Light & Power Co.
