PRICE FIVE CENTS

Many Persons Waiting Home Telephone Service Due To War Shortage

Relaxation Of WPB Restrictions, Allowing Limited Manufacture Of Telephone For Civilian Use Will Not Benefit Residents For Some Months Says Local Manager.

About one hundred and fifty persons in the Branford area are waiting for home telephone service. E. L. Beebe, local manager for The Southern New England Telephone Company, said today in commenting on the telephone war situation caused by shortage of equipment. Waiting lists at telephone company business offices throughout the state total more than 20,000 persons while the number of unfilled applications in the nation tops 1,250,000.

Manager Hobron Rotary Speaker

Thirty seven members of the Branford Rotary Club were present at the weekly gathering at the Oasis Town House Monday to hear D. Lloyd Hobron, local manager of the S.N.E.T. Co., give an illustrated talk on the use of the telephone by the armed forces.

Recent relaxation of WPB restrictions, allowing limited manufacture of telephones for civilian use, will not benefit local residents for some months, Mr. Beebe said. Delivery will not take place until late in the fall, and since the small number of instruments will be distributed country-wide, Mr. Beebe estimates at least a year before any substantial effect will be felt by Connecticut telephone users.

Oyster Workers Are Recruited For Planting

Stony Creek Firm Has Lately Secured Enough Help — Others Appeal To Newfoundland.

Because of an alarming shortage of "deckhands" and other men of this type in the state oyster industry the War Manpower Commission in Connecticut has been asked to recruit such labor from Newfoundland, State Manpower Director William J. Fitzgerald said.

Three New Haven concerns engaged in oyster planting and cultivating have asked the manpower commission to obtain for them a substantial group of permanent deckhands for the industry and a reasonable number of part time workers.

The fields in New Haven and other parts of the state have been well searched for this type of help, the concerns said, making it necessary to go out of the country in an effort to obtain trained help.

Salvation Army Plea Approved

A. B. Brain, assisted by Arthur Sweet, of The Salvation Army Public Relations Department, will continue the solicitation in connection with The Salvation Army's Annual Maintenance Appeal in Branford, owing to the fact that quite a large number of old friends have not yet responded, and new friends to be contacted.

The Treasurer, Charles N. Baxter, reports that returns so far are quite favorable, individuals and industries having responded liberally and every effort will be made to secure the needed quota this week. It would be of great assistance if those friends of The Salvation Army, who have not responded, would mail their checks to the Treasurer immediately.

A local service man stopped Mr. Brain on the street here Tuesday to say how much the Salvation Army mobile canteen service was appreciated by a unit of American troops on the northern coast of England.

Teachers List Honor Groups

Six hundred two Branford school pupils are on the Citizenship Honor Roll for the final ranking period. They are divided among the schools as follows:

- Laurel 66; Harrison 67; Harbor 48; Short Beach 44; Indian Neck 36; Canoe Brook 43; Stony Creek 46; Junior-Senior High 252.
- Three hundred sixty-six pupils of the schools have their names on the scholastic Honor Roll for the final ranking period. They were divided among the schools as follows: Laurel 54; Harrison 66; Harbor Street 41; Short Beach 16; Indian Neck 18; Canoe Brook 15; Stony Creek 14; Junior-Senior High 112.
- Forty-six pupils had perfect attendance for the school year 1943-44. They were: Harrison Avenue—Kindergarten; Billie Bigelow, Vincent Panaroni; Grade 1, John DeSarro.

Annie Brainerd Buried Sunday

The death occurred Thursday of Mrs. Annie A. Borwn Brainerd, of Stony Creek, widow of Frank E. Brainerd. Mrs. Brainerd was born October 2, 1862, in South Orange, N. J., the daughter of Libby Jackson Brown and Morris Brown. Services were held Sunday afternoon at 2:30 o'clock from the Leece Funeral Home, 102 Thayer Street, Guilford. The Rev. William Moe, pastor of the First Congregational Church in Guilford, officiated. Burial was in Stony Creek Cemetery.

Prospects for mashed and sweetened strawberries stacked high over golden-brown biscuits, dripping with melted butter fades into a story to tell future generations when relating pre-war tales of luxuries. Berries smothered with gobs of frosty white whipped cream are one of the treasures lost by war.

PINE ORCHARD ORGANIZES WEEKLY WASTE PAPER DRIVE

Pine Orchard residents are asked to place all waste paper and magazines in front of their homes every Thursday and it will be collected by the Pine Orchard Fire Department.

Junior Assistants will call and explain the drive. They will be glad to show you how to prepare the paper and will furnish extra string if needed. Bundles are to be tied or boxes may be filled with waste paper. Loose paper cannot be handled by the fire department.

Public Can Help Bond Canvassers

Captains of the Fifth War Loan Drive are covering wide territories as speedily and efficiently as possible but because of summer activities find many residents not at home. Workers will be relieved of innumerable repeat calls if provisions are made to leave money and information with a reliable person or notify the solicitor what hour is convenient.

On the other hand, due credit will come to Branford if bonds are purchased at the post-office. Thomas Cornell, house-to-house chairman announces that Mrs. Carl Greenval will take the Lanphier's Cove, Double Beach, Johnson's Point area and Miss Margaret Brada has agreed to canvass the center, south of the cut-off between Laurel and Ivy.

LADIES NIGHT

The sixth annual installation of officers and ladies night of the East Haven Rotary Club will be held Tuesday, June 27 at 7 o'clock at the Summit House.

SURPRISE LUNCHEON

In Honolulu, recently, Mr. and Mrs. L. J. Fullerton (Ruth Colby) entertained at a surprise birthday luncheon for Pvt. James Bradley, son of Mr. and Mrs. J. Arthur Bradley.

RUMMAGE SALE

American Legion Auxiliary will hold a rummage sale in the former Rolf Furniture Store on Friday and Saturday, June 23 and 24. Contributions are solicited and Mrs. Annie Rank, chairman will be at the store to receive articles. She is assisted by Mrs. Robert Richardson, Mrs. Harold Cassidy, Mrs. George Hansen, Mrs. Hilma Corcoran and Mrs. Leo Finneran.

WILL MAKE VOTERS

The Selectmen will be at the town hall Saturday afternoon from 2 to 5 for the purpose of admitting as electors all those who qualify.

DEMOCRATIC WOMEN MEET

An executive meeting of the Women's Democratic Club will be held Monday night at the home of the chairman, Mrs. Leonard Farmer of Stony Creek. Mrs. Frank Alford is secretary and Mrs. Poldine publicly chairman for the recently organized group.

ROTARY SPEAKER

Charles Bedlent, a member of the Branford Rotary club, will be the guest speaker at the luncheon meeting of the East Haven Rotary club this noon in the auditorium of St. Vincent de Paul's Church in Taylor Avenue. Harold Nash, program chairman, in announcing the speaker, states that Mr. Bedlent will have a message of real importance for all Rotarians in his talk here. Further plans will be made for the installation dinner to be held June 27.

Attend District Assembly

A delegation of six members of the Branford Rotary Club attended the district assembly at Wilcox's restaurant in West Haven on Tuesday. Those representing Branford were Atty. Frank J. Kinney, W. E. Hitchcock, Maj. S. A. Potillo, Emil A. Nygard, John S. Rogers and Walter H. Palmer.

CANDIDATE FOR DEGREE

Rodney H. Mills, Jr., son of Mr. and Mrs. R. Halstead Mills of Pine Orchard is a candidate for a B.A. degree at Yale University today.

Motor Carriers Require ODT Authorization

Substitution of rail transportation for motor common carrier service in designated areas to alleviate traffic congestion and provide for full utilization of transportation facilities is authorized by an amendment to an order of the Office of Defense Transportation, effective June 10th, 1944, District Manager of the ODT Highway Transport Department, announced today.

The amendment (General Order ODT 3, Revised, Amendments) revises Section 501.10 of the order relating to interchange of shipments between motor common carriers and registration of traffic and adds an entirely new section (Section 501.10A) providing for substitution of rail for motor carrier service.

The new section sets forth the conditions under which rail service may be substituted for that of the motor carriers and establishes rules and procedures to govern such cases.

Substituted service is permitted only under a certificate issued by the Director of the ODT. Procedure to obtain a certificate is provided.

Mr. Riche explained the substitution of rail for motor service may only be made between points authorized to be served by the substituting motor common carrier or carriers and between which the motor carrier or carriers continue to provide over-the-road motor vehicle service.

"The motor-rail freight diversion," Mr. Riche said, "does not change the rates or charges to shippers or relieve motor carriers from their responsibility to the owners of the property. The motor carrier is required in such cases to pay the railroad its tariff rates for the rail movement. Rules for loading and unloading shipments and the collection and delivery of less than carload shipments are provided."

He added that the new section also authorizes two or more motor carriers to aggregate shipments so as to provide carload lots.

Motor carriers may not substitute rail for motor service if the shipper provides otherwise by notation on the bill of lading.

"Every common carrier by motor vehicle is required by Section 501.10 of the order to accept and receive from any other motor carrier and transport shipments in over-the-road service," Mr. Riche continued.

"As now revised, if a motor carrier is unable to collect, accept or transport freight offered to it by another motor carrier at an interchange point, the carrier to which the freight is offered is required to promptly register it with the ODT district office nearest to the point at which the freight is available."

TRUCK OWNERS Must Confine Use Of Car

Persons who operate motor trucks for personal pleasure transportation will have their Certificates of War Necessity suspended or revoked Mr. Frank V. Riche, New Haven District Manager of the Office of Defense Transportation's Highway Transport Department, warned today.

"A Certificate of War Necessity issued for a motor truck limits operations of the vehicle to those which are incident to or in furtherance of the owner's business," Mr. Riche said. "Use of the truck for pleasure purposes will result in suspension or cancellation of the Certificate of War Necessity, without which the vehicle may not be operated at all."

Mr. Riche also warned against the use of trucks in Fourth of July and other parades. However patriotic the motive for such use may be, he said, it would nevertheless constitute a violation, pointing out that the least wasteful use of a truck is the most patriotic one during these days of critical transportation shortages.

NOTES
By Anthony F. Arpaia, State Director

Many of you have heard the story of the man who went to a used car lot and found an auto he had formerly owned. Recalling that he had paid \$850 when he bought it brand-new three years before and that after driving it for two years had sold it for \$475, he grew curious about the present selling price. The dealer told the man he could have the car for \$1,250.

The story is not an exaggeration. Uncontrolled by ceiling prices and tremendously in demand because of the sales restrictions on the few new cars on the market, used cars have been going up in price steadily for the last two years.

Beginning July 10, specific dollar-and-cent ceiling prices will be placed over 23 makes of cars manufactured from 1937 through 1942. Two sets of ceilings have been

Cutworm Pests Wreak Havoc In War Garden

Flea beetles and cutworms are wreaking havoc in Connecticut War Gardens where precautions have not been taken, according to reports reaching Professor A. E. Wilkinson from all parts of the state. Both of these pests, says Mr. Wilkinson, are present in much greater numbers than normally.

The flea beetle is a small, black, shiny insect that eats holes in the leaves of tomatoes, eggplants, potatoes and some other plants. When the holes become too numerous the leaf withers and the plant either weakens or dies. Commercial gardeners usually control these beetles by spraying with bordeaux mixture, which does not kill the pest but tends to drive them away, but home gardeners are advised to try other methods.

Cryolite is the most satisfactory remedy for the home gardener, according to Mr. Wilkinson, although rotenone is practically as good. Either cryolite or rotenone in spray or dust mixtures will do the work, but dust containing cryolite is especially favored. Cryolite is available and relatively cheap. Applications should be repeated at five-day intervals if infestations continue.

ANSWERS for Victory Gardeners

What Are Plant Lice?
Plant lice is the term used commonly when referring to aphids. They are called plant lice because they cling to the plant like lice on a person's head. They are found on tender shoots, leaves and soft bark. They remain practically stationary after they once settle and give birth to young at the rate of 8 to 12 per day. These young are ready to do likewise in about two weeks. You can see how they multiply. Only the fact that nature destroys the aphids in huge quantities prevents their doing untold damage.

Where Do Plant Lice Come From in the First Place?
Plant lice or aphids have a peculiar way of starting their pest-generations in the spring. They hitch from eggs which have hatched on a trash or in other safe places over winter. The first generation that hatches out fly and spreads out on favorite vegetation. The next generation is born without wings and continue on their host plant, giving birth to yet another generation.

Are All Garden Plants Attacked by Plant Lice?
Just as there are many kinds of butterflies so there are many kinds of aphids—they are even of different colors. Some are black, some are green, some are red. There is an aphid for almost every plant you will grow in the garden, and every aphid is a heavy worker, for it should say a heavy worker, for it is a sap sucker and his food is needed.

BEACH CAMERA BAN REVOKED
Effective at once, camera may again be brought into and used on ocean beach areas. It was announced last week by Lieutenant General George Grunert, commanding the Eastern Defense Command.

Lifting of the restriction is announced in Public Proclamation

GOOD SANITATION IS ESSENTIAL TO COMMUNITY HEALTH

Several members of the Production Department of the local Red Cross Branch attended a meeting at the Chapter Headquarters in New Haven on Monday the 19th. Miss Thompkins, Assistant Administrator VSS in charge of the Production of the North Atlantic Division, presided and presented in an interesting way the enormous amount of dressings that are needed this summer by armed forces and read letters showing how invaluable the Navy and Army Kit Bags are to the men. It was an inspiration talk designed to keep the workers informed and also to create still further interest in the large job the Production department has on its hands.

Women will replace men as lifeguards and swimming instructors at the numerous pools and beaches this summer, according to a nation-wide survey conducted by the Red Cross Water Safety Service.

The annual courses held at Branford point will start on Thursday July 13 at two o'clock. Mrs. Harold W. Barker is the chairman of Water Safety and Miss Shoemaker who instructed last season will conduct the classes this summer.

The following girls have received certificates in life saving after having completed a course given by the Red Cross at the Y.V.C.A.: Gertrude and Alice Daley, Patty White, Jean and Haley Sangree, Ruth Crawford, Margaret Baxter, Carol Fineman, Shilley Lyons, Marjorie Baldwin and Barbara Sliney.

"A sample of the extent to which servicemen and their families look to and depend upon Red Cross for the answers to their many problems is indicated in a single monthly report from National Headquarters.

Recommendations from field directors overseas in behalf of the men at their respective stations numbered over 16,000. These were 4,500 communications handled for servicemen overseas who were anxious over the health or welfare of their families and 1,500 concerns for the soldiers for men outside the country. Communications involving prisoners of war totaled more than 1,800."

The vice-chairman of the local Home Service Committee will be available for consultations at the town hall every Tuesday afternoon, from 2 until 5 o'clock. Any day she may be reached by telephoning 1577.

There has been no response to the request made for outdoor games and various articles needed at the Allington Hospital. Anybody for the soldiers there a little more comfortable may telephone Mrs. Alfred Durr 488-3 for information.

Pine Orchard

Mr. and Mrs. David G. Heber of Soulestown, N. J., spent the week end at their summer home here.

Mr. and Mrs. Harry Payne, Mrs.

America—this is it!

He's doing his part... We must do our part!

For him the terrifying grand climax of the war is at hand.

The supreme military risk—bound to be bloody, costly, in American lives.

Our boys know this. They don't read the heart-rendering headlines or casualty lists to know what is expected of them.

But they are not flinching... not holding back.

They will see the grim venture through to the bitter, victorious end.

And if, for your boy, or some boy you know, the price of victory is death, you can be absolutely certain that he made the supreme sacrifice courageously... for the cause of Freedom.

For us, too, the terrifying grand climax of the war is at hand.

This summer, desperate call for American dollars—\$6 billion of them—is to enable our fighting men to carry through the grim, bloody assault to a successful conclusion and victory.

Not just American dollars—but the dollars in your pocket—in your savings account.

You must buy War Bonds—now! At least twice as much as you bought last time. If you are already buying Bonds on a pay-roll savings plan, buy EXTRA Bonds during this Drive.

Your Government is counting on you. Your boy, and your neighbor's boy, are counting on you... just as you are counting on them in this fateful hour.

► Don't let them down! Do your part—as they are doing theirs. Dig down, America—dig down deep! While there is still time. This is America's Zero Hour—Civilization's Zero Hour!

- And here are 5 MORE reasons for buying EXTRA Bonds in the 5th!
1. War Bonds are the best, the safest investment in the world.
 2. War Bonds return you \$4 for every \$3 in 10 years.
 3. War Bonds help keep prices down.
 4. War Bonds will help win the Peace by increasing purchasing power after the war.
 5. War Bonds make excellent gifts for children, especially for you, Uncle Sam's retirement.

Back the Attack!—BUY MORE THAN BEFORE!
