Mr. C. W. Grannis Killed By Auto

Was Sole Survivor of Civil War In East Haven.

Mr. Charles W. Grannis, 93, of Old Foxon Road, Foxon, was killed by an automobile in front of his home, last Tuesday evening, September 7, from which he received a fractured skull and broken ribs. He passed away at 6:30 p. m. after being rushed to Grace Hospital.

Mr. Grannis has always lived in Foxon and was referred to as "the grand old man of Foxon." He was the only living Civil War veteran in East Haven and attended Memorial Day exercises here regularly every year.

Mr. Charles W. Grannis at the age of sixteen, taken at the time he enlisted in the Civil War.

Civil War Veteran

Mr. Grannis enlisted at the age of 16, at which time he ran away from home to join the Union Army. His father's efforts towards keeping him out of the war were fruitless for Mr. Grannis returned to the army. He served during the whole four years of the war from 1861 to 1865. He was a member of the Tenth Connecticut, Company A, and was twice wounded, at Petersburg, Va., in 1863, and at Richmond, Va., April 2, 1864, nine days before the surrender of Lee.

Mr. Grannis was a member of the Admiral Foote Post, No. 17, of New Haven, and was also a member of Lodge No. 63, A. F. and A. M. He has twice served East Haven as representative in the General Assembly, at Hartford, in 1895 and 1899, has served as chairman of the Republican Town Committee for a period of eight years.

Services Today

Funeral services for Mr. Grannis will be held today at 2 o'clock in the Grannis home in Foxon and burial will be in Bare Plains Cemetery. The bearers will be Chester M. Newton, Lyman Goodrich, Ernest Hall, William Wharton, Harold Hall and George Adamic.

Mr. Grannis is survived by his two sons, Dr. Irwin Grannis of Westbrook, and Lincoln D. Grannis of East Haven.

Miss Margaret Tucker Is Discharged by Town

Miss Margaret Tucker of 42 Pardee Place, was discharged from her position as assistant Town Clerk, last Tuesday morning. As Miss Tucker was a very efficient worker, holding the position for a period of 14 years, the only reason for her being discharged at this time was the announcement of her nomination for the Town Clerk on the Republican ticket.

It was made known at a recent meeting of the Republican party, that Mr. Frank Redfield, republican and present third selectman here, that Miss Tucker's discharge was entirely unknown to him prior to this meeting. As the selectmen have the authority to hire and discharge it seems odd that Mr. Redfield was not aware of the discharge.

Rainbow Girls Hold Elections

Last Friday evening, September 3, the East Haven Assembly, No. 17, Order of Rainbow for Girls, held election in the Masonic rooms in the Olson Building.

The following officers were elected to be installed in October: Miss Arletta Texido, worthy advisor; Miss Louella Hughes, associate worthy advisor; Miss Ruth Deming, charity; Miss Shirley Munson, hope; and Miss Lois Miller, faith.

The next meeting of the Assembly is scheduled for Friday, September 17.

Capitol Theatre Closes For Re-decoration

The Capitol Theatre will be closed today in order to complete the re-decorating of the theatre, which is being done to create a more cheerful atmosphere for its patrons in the future, and when it reopens on the morrow, the theatre will have been placed on a par with the modern theatre of today.

The Capitol Theatre is being decorated throughout, in a harmonizing color scheme that blends in with the floor and wall coverings. The floor coverings, including the entrance lobby floor, will be of broadloom or brussels in tones of rose and tans and the wall coverings of silk tapestry will blend with the scheme as a whole.

A new standing rail is being constructed which was designed by Mr. Walter R. Shiner, local architect, which will be equipped with old ivory Venetian blinds with rose tapes. This will obviate draughts from the entrances, and noises emanating from the theatre proper. New electrical fixtures in the modern manner complete the alteration of the Capitol Theatre.

Mr. Jerry C. McComb, local painting contractor, is doing the re-decorating of the theatre.

At a recent meeting of the Republican party, motions were made and seconded to send their sympathy and flowers to Mr. Grannis in honor of his fine work in the Republican ranks in East Haven.

Takes Up Duties

Rev. William H. Nicolas, above, will take up his duties at the Old Stone Church this Sunday, September 12. Mr. Nicolas and family moved into the parsonage last Wednesday.

TOWN BRIEFS

Building permits were let out this week by Building Inspector William Hogan to Mr. Fred W. Bauer for a garage to be built at 26 Myrtle Avenue at a cost of \$100, and to Mrs. Ellen Levine for a child's playhouse at 160 Laurel Street at a cost of \$100.

The choir of the Old Stone Church will resume rehearsals in the Church this evening at 7 p. m.

The Board of Selectmen will hold a session next Thursday, September 16, in the Town Hall.

The public is cordially invited to inspect The Gift Shop, at 240 Main Street, of which the interior has recently been re-decorated.

The tax receipts for the month of August are as follows: current, \$38,994.45; back taxes, \$3,910.68; interests and liens, \$484.78 and Old Age Assistances taxes, \$234.00, making a total of \$43,623.91 for the month. For an eleven month period of 1935, the collections came to \$274,176.44 in comparison to this year's receipts for the same period of \$285,771.13, there is an increase of \$11,594.69 this year.

It was announced through the Selectmen's office that the work on the jettys at Momauguin will start on Monday, Sept. 13. Ten men will be put to work on the job.

The Community Center will hold the first of a series of Old Fashioned Dances on Thursday, September 16, in the Community Center Building. Mr. Ernest Tower is general chairman of the affair. The Community Center Building has been recently re-decorated.

Line of Beauty in Art

The term, a line of beauty, in art is applied to a graceful curved or undulating line, which is held to be absolutely beautiful in itself. Such a line is commonly represented as a double curve, resembling an elongated letter S.

Mr. James J. Sullivan Nominated For First Selectmen.

529 Enroll At High School

It was recently announced by Mr. William E. Fagestrom, principal of the East Haven High School, that 529 students enrolled at the high school this week.

The official opening occurred last Wednesday morning at 9 a. m. at which time the seniors gathered in the auditorium to receive their schedule cards and general instruction for the coming year. In the afternoon the juniors gathered at 1:30 for the same purpose. On Thursday morning and afternoon, the sophomores and freshmen gathered, respectively, for the same purpose. This schedule was used in order to avoid the confusion that a large group of students gathering for instructions may cause on the same day.

Republicans To Hold Outing

On Sunday afternoon and evening, the East Haven G. O. P. will hold an Old Fashioned Outing at the Momauguin Hotel, Momauguin. Among the features of the day will be a soft ball game between Foxon and Momauguin and the winner will play the Center District. A buffet lunch and refreshments will be served by an outside caterer.

The committee consists of Mr. Irwin Sprague as general chairman, Mr. George Beckett, Mrs. Charlotte Miller, Mrs. Florence Burwell, Mr. Alvin Sanford, Mrs. Harold Hall, Mr. Alfred Guglielmi, Mr. Herbert Korn, Mr. Herman Hackbarth and Mr. William Osborn.

Tide Alters Beach Heat

There will be a sudden change of as much as 11 degrees centigrade in the sand on the surface of a beach as the tide comes in.

NEW TAMMANY CHIEF

Christopher D. Sullivan, new leader of Tammany Hall in New York who succeeded the late James J. Dooling as head of the famous Democratic organization. Following his election, Grover Whalen withdrew as a candidate for mayor of New York in favor of Senator Royal S. Copeland.

At a meeting of the East Haven Republicans last Tuesday evening in the Town Hall, it was announced by Mr. Edward L. Reynolds, Chairman Republican Town Committee, that Mr. James J. Sullivan, of Thompson Avenue, will run for First Selectman on the Republican ticket this fall. The remainder of the slate is follows: Harold Hall, second selectman; Miss Margaret Tucker, town clerk; Mr. James Ogilvie, tax collector; Mr. Henry Antz, treasurer; Mr. George W. Beckett, and Mr. Roy Burwell, assessors; Mr. Alvin Sanford, registrar of voters; Mr. Myron Grover and Mr. Alvin Thompson, Board of Relief; Mr. George M. Chidsey, Mr. Herman Hackbarth and Mr. Frank Trytko, grand jurors; Mr. Henry G. Coughlin, Mr. Alfred Williams and Mr. John Norwood, constables; Mr. William Jaspers and Mr. Maurice Germond, school board, 1937 and Elizabeth Bath and Mr. Edward Donroe, school board, 1938.

Following the reading of the slate, many present urged the Republican voters to support this ticket, among whom were Mr. Roy Burwell, Mr. Henry Antz, Mr. Robert Gerrish, Mr. Maurice Germond, Mr. George Beckett and Mr. Russell Mallinson. Mr. Walter Bussell put the slate to a motion which was unanimously accepted.

At one time it was thought that Mr. T. Frank Reynolds, present tax collector, would run for that office on both tickets, but when approached on the subject Mr. Reynolds refused to do so.

Reynolds Urges Voters

Mr. Edward L. Reynolds in presiding over the meeting praised the Young Republican Club, stating that it was the most active of its kind in New Haven County. He also urged that voters should be contacted and mentioned that two years ago, 562 Republicans didn't vote thus losing by 100 votes.

Alvin Sanford stated that lists would be ready Saturday and may be seen at headquarters after that time. Voters will be made on September 18, from 10 to 9, at the Town Hall.

It was also announced that the primary will be held at headquarters on Sept. 13, where telephones will be installed. A publicity committee was formed of Mr. M. A. Germond, Mr. Edgar Bacon, Mr. Robert Gerrish, Mr. Henry Antz, Mr. William Jaspers and Mr. J. Russell MacArthur.

The first English publication to mention the Dutch on the Hudson river was printed in London in 1622.

THE CASE OF MARGARET TUCKER

The discharging of Miss Margaret Tucker, by those in power, assistant Town Clerk here for fourteen years when the announcement was made that she was to run for Town Clerk on the Republican Ticket this fall is the "talk of the town."

Miss Tucker was a very efficient worker, as her record proves, and just why she should be relieved of her duties at such short notice is a question not likely to be answered.

This is the second time that an occurrence of this nature has happened under this regime, recalling to mind the case of Mr. Henry Smith, who was similarly discharged as janitor.

The Republican women of the town should be up in arms over this seeming unfairness and should make an effort to elect Miss Tucker to the office of Town Clerk.

MR. CHARLES W. GRANNIS

The passing of Mr. Charles W. Grannis last Tuesday, due to an automobile accident was a sudden shock to the town.

It seems odd that Mr. Grannis should serve through the bitter conflicts of the Civil war and then return home to be killed by a passing automobile.

Mr. Grannis at the age of 92, was as chipper as a youngster and in a recent interview with him, concerning the war, he informed the editor of THE CITIZEN that he would do it all over again.

THE CITIZEN wishes to extend its sympathy to the man who was the sole survivor of the Civil War in East Haven.

INDIAN SUMMER

These are the days when birds come back,
A very few, a bird or two,
To take a backward look.

These are the days when skies put on
The old, old sophistries of June,
A blue and gold mistake.

Oh, fraud that cannot cheat the bee,
Almost thy plausibility
Induces my belief,

Till ranks of seeds their witness bear,
And softly through the altered air
Hurries a timid leaf!

Oh, sacrament of summer days,
Oh, last communion in the haze,
Permit a child to join,

Thy sacred emblems to partake,
Thy consecrated bread to break,
Taste thine immortal wine!

OUR ORGANIZATIONS

Woman's Aid Society

This week, we step into the Old Stone Church to interview various organizations, and the first one to cross our path is the Woman's Aid Society.

This is an old organization and its date of establishment is unknown, but the secretary's books date back to 1891, which gives some idea of the age of the organization. Miss Nellie Thompson was president of the society that year. They meet monthly and its membership includes all women of the church.

The presiding officers are as follows: Mrs. Hattie Fairchild, president; Mrs. Wallace Coker, vice-president; Mrs. Samuel R. Chidsey, secretary; and Miss Nellie Thompson, treasurer.

What's What In BUILDING CONSTRUCTION

An open forum for the discussion and explanation of construction and material problems
By Walter R. Shiner
Reg. Architect, State of Conn.

SUPERVISING SMALL HOME CONSTRUCTION

When it comes to using asphalt shingles for the roof, the roof boards must be laid tight, that is matched boards; usually 1x6 No. 3 N. C. pine or other third grade material is used. With asphalt shingles, the roofing paper may be omitted although a better job may be obtained with its use.

Check your specifications and see if the style and weight of shingles is given and the color. The color is usually selected by the owner as well as the style and specifications as a rule leave these questions open and simply state the weight per square (100 sq. ft.).

Shingles are made by several manufacturers in weights per square from 130 lbs. to 325 lbs. or more in all color combinations and in single shingles with square butts, strip shingles with 3 square butts per length, interlocking, diagonal etc. Generally speaking, it is poor economy to use a shingle weighing less than 194 lbs. per square, and the square butt type give a tailor made appearance and are to be preferred for style over the other freakish types except in rare instances where the style of the house is distinct and a definite style of shingle is required to harmonize.

Galvanized nails are used ordinarily but of course copper nails are better and more durable. The galvanized nails will rust out before the shingles wear out and the shingles will fall out, curl or leak at the hole left around the rusted off nail heads. Asphalt shingles make a good looking, tight and durable roof which is practically fireproof unless exposed to real flames at close range.

Valleys, etc., are usually flashed with heavy roofing material of the same color and texture as the shingles, but where roofs come up against chimneys, brickwork, etc., metal should be used and copper is best in the long run.

Hips and ridges are usually done with the strip shingles.

THE PEARL OF THE EAST

by Arthur L. Griffiths,
M.A., Yale

The journey of the Negritos from the Andaman Islands to the Philippines was, very possibly the most remarkable human migration that history records. Take your Atlas in hand and see the tremendous distance they paddled. What should cause an entire people in ideal surroundings to leave their habitat and migrate thousands of miles, to a land they had never seen, is beyond human ken. The fact remains that for centuries, the Negritos were the only human creatures in the Philippines.

Much later a similar urge seized the Dyaks of Borneo. Their migration was an easy one for one can see the last or most southerly island of the Philippines from Borneo. This island is one of the Tawi Tawi group, the westernmost islands of the Sulu Archipelago. The Dyaks were much bigger and stronger than the Negritos and promptly drove the little men back into the jungle fastnesses from which they have never since emerged. The Dyaks were greatly assisted in this by their own warlike nature and experience in wars. The Negritos, on the other hand, were very peaceful, warring with no one. The Dyaks brought with them a great curse that exists even to today. That is, head-hunting, or in other words, the hunting and killing of people for the purpose of taking their heads. A great many thousand head-hunters exist in the Philippines today. Centuries ago, every full-sized inhabitant of the islands was a head-hunter. There

"NO MORE HEATING WASTE FOR ME!"

THE new G-E Oil Furnace eliminates two big causes of heating waste. First—it burns oil in a new way that "wings out" from every drop the last unit of practicable heat. And second—it "traps" the extra heat which usually escapes up the chimney. The result? Heating dollars go further—you get the full value out of the oil you burn. Don't fail to see this amazing G-E Oil Furnace. It offers the finest—and cheapest—type of automatic heat that money can buy. Ask for free booklet "Luxurious Heat."
