PRICE FIVE CENTS

Applications For Gas Books To Be Received In Schools July 9 to 11

Supt. Raymond Pinkham Will Be Assisted By Volunteer Registrars But Supplemental Rationing Falls to Lot Of Rationing Board—OPA Will Set Gallonage.

Teachers who have remained in Branford, and who are at liberty, have been invited by Supt. Raymond Pinkham to act as registrars in the gas rationing which will take place July 9, 10, 11 in the Stony Creek, Short Beach and High Schools. Mr. Pinkham, who is chief registrar in-charge, will use civilian volunteers for workers but expects those who volunteer to appear at every session signed up for. Hours are 2-5 and 7-9.

"A" books are Basic and will contain 6 pages of 8 coupons per page which is one year's supply. These are the only passenger books the registrars are responsible for issuing. "D" ration cards are for motorcycles. Windshield stickers will identify card holders classification. Differing from the first rationing registration, supplemental ration books "B" and "C" are to be issued by the ration board only. While certain designated registrars may help applicants make out the application for supplemental rations the applicant himself must take it or mail it to the ration board for deposition.

Passenger car owners whose occupation requires more than 150 miles a month as provided by "A" rationing may make application later for supplement with a "B" card.

"B" books containing 16 coupons good for 4 gallons each, will permit 3 months use, up to 320 miles of occupational driving a month, in addition to the mileage provided by an "A" book. (Driving is figured on a basis of 15 miles per gallon) and can be issued only by the board.

"C" books will be issued only from the office of the Rationing Board and only to those who show need for more than 470 miles a month and who belong to users considered most essential to the war effort, namely, official government business; mail; public school officials; wholesale newspaper delivery; news photographic equipment; physicians, surgeons, nurses; ministers, priests, rabbis; farm products, farm workers, commercial fishermen; transportation of armed forces; essential war workers; construction, repair and maintenance; salesmen of farm or industrial machinery; medical supplies and food.

Trucks are given a special service rating. Registrars will not be permitted to register anyone who is related to them by blood, marriage or adoption or anyone in whom he has interest by virtue of business connections.

The car owner, his agent or the person entitled to use the motor vehicle, must appear to fill out the application and must bring his motor vehicle registration card. Gallonage value of coupons will be announced by the O. P. A.

FORMER RESIDENT PASSES

Friends here will be saddened to learn of the death of Augusta Anderson Lindberg, wife of Arvid Lindberg which occurred in Norwich, N. Y., June 28th after a lingering illness.

Born in 1876 in Sweden she came to this country about 40 years ago and lived in Branford a number of years during which time she was a member of Tabor Lutheran Church and Tahitha Society.

About 25 years ago they purchased and moved to a farm in New Berlin, N. Y.

She is survived by a daughter, Mrs. Jonas Senander and a son, Harold L. Lindberg and several brothers, nieces and nephews.

Burial and funeral services are conducted yesterday in New Berlin.

TOWN COVERED

The Town of Branford has placed War Insurance on its buildings.

GARDEN CLUB NOTE

The next meeting of the Branford Garden Club will be held Friday, July 10, at 2:45 in the home of Mrs. Osborn E. Horton, Rockland Park.

Salvation Army Annual Drive Now Underway

Campaign Distinctly Separate From USO Campaigns—Solicitations Began Yesterday.

"In the preparation of the swing from defense to offense in World War No. 2 The Salvation Army is gearing its personnel to meet the increased demands," declared Frank J. Kinney, who will head the Salvation Army Annual Appeal for funds in Branford and District. "Salvation Army history made in 1917-18 has been repeated with the officers of the well known and highly regarded Christian Army having already landed on foreign shores to ensure for the boys on fighting fronts a 'home from home'." In Australia The Salvation Army Red Shield Clubs have been over from "tea and biscuits" to coffee and doughnuts" at the insistence of the American Soldier, Chairman Kinney will be ably assisted by Charles N. Baxter, who will act as treasurer, and the following influential citizens of Branford and District, Charles I. Bradley, Gurdon Bradley, John E. Brainard, Raymond E. Pinkham, Mrs. Howard K. Prann, Charles Reynolds, Mrs. Mortimer Stanley, Miss Hazel M. Van Wie, and Mrs. J. R. Waters.

Letters of appeal have been mailed to the many friends of The Salvation Army stating: "Once again the hour of danger finds The Salvation Army at the front line of human need. At the first sound of enemy attack in Hawaii, forty officers of this ever-alert organization led emergency squads of Salvationists to duty in the attacked areas, all Salvation Army institutions in the islands are housing and caring for refugees and this is true also in other theatres of war in the Far East."

This Annual Campaign is distinctly separate from the Campaigns being conducted by the USO of which the Salvation Army is a member agency. USO funds meet only the expenses incurred at the USO units located adjacent to the larger military camps throughout the country. They do not carry the entire financial load of Salvation Army work, for The Salvation Army is already serving on war fronts as yet unreached by the USO. The many hospitals and institutions of The Salvation Army which are operated by public subscription are feeling the impact of war which always causes a lowering of moral standards in some brackets.

Solicitation will commence during the first day of July, but in order to save man-power, subscribers are urged to make their contributions direct to the Treasurer, Charles N. Baxter.

WORM'S EYE VIEW

Rev. Burke Rivers, rector of the Church of Epiphany, New Haven, spoke on the subject "A Worm's Eye View of the Ministry" at the meeting of the Rotary Club Monday noon. He told what is being done in non-sectarian welfare work among the boys and girls in the neighborhood. The meeting was attended by 32 including Howard B. Hall of Meriden and Indian Neck and Eric W. Dohna of East Haven, visiting Rotarian.

During July and August regular weekly meetings will be held at the Oasis.

381 REGISTER

Clerk Frank Hartman of the Selective Service Board reports that 381 young men registered on Tuesday. Of the number 200 were of Branford and 181 of East Haven.

Chairman Says Canteen Study Made Available

Mrs. Wilfred Nott makes the following announcement: Every effort was made to conduct a Canteen Course in Branford last spring but there was no one qualified, locally, to instruct. It has been impossible to get someone outside until recently, but the majority of those who are eligible for the Canteen Course prefer September to July for a class.

Mrs. Roy Alhberg of East Haven has consented to teach one about the middle of September. All members of the Nutrition Class holding certificates will be notified of the date later. Those receiving certificates for both the Nutrition and the Canteen Courses are eligible for pins.

Nutrition certificate holders, please take notice. A canteen course will be held in New Haven beginning July 21st at Headquarters from ten in the morning until two P. M. Those who do not care to wait for the one to be given in Branford the middle of September may sign up with Miss Dore, New Haven Chapter—telephone 7-5881.

Branford Review
Rose Street, Branford.

Dear Sir:
I saw this cartoon (The cartoon is a clever sketch of Hitler and his two pals, within a whisky flask and is entitled "Bottled in Bonds"). It appeared in the "Caribbean Breeze". —Ed.) in one of our papers so I am enclosing it. Thought it was pretty good. We have a few friends who send the Branford Review to us and even though we get long after it is sent, I can really say we enjoy it. It takes from three to four weeks to get here. It is the best kind of paper for us because after reading it over we are brought up to date on our local (home town) news. After reading the Review we send it to some Branford boys in nearby camps. And they in turn send it to other boys in other camps. Malcolm Sparr and I are both taking an A. M. course. We like the climate too.

We have lots of spare time and it is spent on the beach swimming in the Pacific Ocean. We have both picked up a very nice tan and are almost as dark as the natives. In closing I want to say keep up the good work because we are looking forward to seeing the Review soon.

Very Truly Yours,
F. Blackie Pepe
and all the Branford boys in Panama.

EDWARD BRADLEY BURIED SATURDAY

Funeral services for Edward F. Bradley of Boston Post Road, were held Saturday afternoon at 2:30 in the First Congregational Church.

The Rev. Howard Orr of Wilbraham, Mass., son-in-law of Mr. Bradley, officiated.

A delegation was present from the Stony Creek Drum Corps of which Mr. Bradley was one of the original founders. He had always maintained his connection with the organization and took great pride in its achievements.

The bearers were Alec Smith of Clintonville, James Kelly of Branford, Addison Bradley, Milton Bradley and Claire Bradley of Stony Creek, and Avery Barnes of Woodbridge. Interment was in Center Cemetery.

Vasa Star Lodge No. 150 will hold a short meeting tomorrow evening in Svea Hall.

Defense Council Ready For Visit From Officials

A new series of surprise air raid field tests will be instituted next month by the State Defense Council, Colonel Samuel H. Fisher, State Defense Administrator announced Friday. The surprise tests will be conducted in cities and towns throughout the State as soon as the present schedule of preliminary field trials is completed.

A meeting of the Branford Defense Council was called for last Monday night to inform chairman of the "flying squadrons" possible visit here.

Colonel Fisher stated that a "flying squadron" composed of seven specialists from the State Defense Council staff will visit cities and towns at any time of day or night, without notice, and will call for immediate surprise air raid tests.

Under the preliminary field trial plan which is now being completed, local councils were given the opportunity to select dates, types of incidents and the placing of incidents. The State Defense Council then provided judges and umpires who followed the work of the local defense organization as the incidents were reported and emergency services dispatched to meet them.

The second stage of training will provide a surprise element which has not existed in previous tests; and all incidents will be selected and placed by members of the Defense Council's "flying squadron." Under this program, the State Defense Council will have an opportunity to detect weaknesses or time delays in local organizations and assist local officials in effecting improvements.

The surprise tests will be conducted under the direction of Major Hugo Soest, supervisor of air raid wardens, and his staff.

Teacher Passes After Illness Of Two Weeks

Miss Alice Murphy of Killam's Point passed away Sunday morning in New Haven where she had been under treatment for the past two weeks.

Miss Murphy had been an instructor of English in Branford High School, having the longest record of service of any member of the faculty. She was born in New Haven, a daughter of John Murphy and Alice Killam. She graduated from Smith College in 1903 and shortly after that time came to teach in Branford. She was a member of Trinity Episcopal Church.

She is survived by two brothers, John Killam Murphy of Killam's Point, and Henry Killam Murphy of New York; two sisters, Mrs. Edwin B. Whiting and Miss Marion Murphy of Killam's Point; one nephew, Alexander K. Murphy of Killam's Point, one niece, Mrs. Richard Shattuck of Jaffrey, N.H.; one grandniece and one grandnephew.

Funeral services were private.

FOURTH OF JULY WILL COME IN LIKE A LAMB

There is every indication that Branford will experience the quietest Independence Day in history.

No community affairs are planned and we have learned of but few family gatherings.

Bonfires are taboo and the police department will be on the outlook for violators who sell or bring fireworks into town.

To comply with orders of the State Civilian Defense request, Fire Marshall Ernest Wood will issue no permits for night displays.

Inquiring along Main Street this morning disclosed that most of the stores will close all day Saturday.

Ashley Shirt Co. closes Friday night to give all employees a full week's vacation. Representatives of the Malleable Iron Foundry and the Atlantic Wire Co. will close as many departments as possible and not interfere with war production work. It is understood that the other factories will do likewise.

Pawson Tribe To Take Part In Field Day

The majority of the members of the degree team of Pawson Tribe, Improved Order of Red Men are to take parts in the open air degree of the order that is to be held on the afternoon of July Fourth during the annual state Pow-wow of the order at Park McLay, East Haven.

In addition to the team from Pawson Tribe there will be the team from Troutonemoe Tribe of West Haven and some of the members of the team of Hammonasset tribe of New Haven, it is expected that there will be about 35 on this combined degree team.

Anthony Pepe and James Ward of the Branford tribe who are members of the general committee in charge of this Pow-wow report that there will be a number of candidates from different sections of the state take the degree on the afternoon of the Fourth.

George Barba, Emerson Atwater, Sally Donofrio, Walter Newton, Stephen Pinta and Clarence MacDougall of Pawson tribe are to be asked to act on the Reception Committee to the Great Chiefs of the state and of Massachusetts who are to attend the Pow-wow. They are to be assisted by members of Pequot tribe of East Haven and of Cockaponset tribe of Clinton.

On Friday evening, July 3 there will be a display of fireworks to open the Pow-wow after which there will be a pageant of Colonial days followed by an attack on the village by the Indians. Members of Pawson tribe are to take part in this attack. On Saturday afternoon, July 4 there will be an open air degree on a Sunday afternoon the Bathing Beauty Contest. Over 50 of the women of this section of the state are to enter this contest. There is no fee to enter. Applications from Branford can be given to any of the members of Pawson tribe or to Alfred Smith of Short Beach.

During each day of this Pow-wow there is to be a series of contests for young and old as well as entertainment each day. Joseph Kilmas and George Smith are to be asked to assist in the judging of the bathing beauties.

Household Fat Salvage Plan Starts Soon

More than two billion pounds of fats are wasted in the kitchen each year. The cut-off of oils from the Far East plus increasing needs of fats and oils for our allies makes it necessary to take immediate steps to salvage these waste kitchen fats.

Harold Tousey, chairman of the salvage committee of the defense council has received notification of a Household Fat Salvage Program starting early this month.

The plan is for the housewife to save all cooking fats. These should be strained in order to remove all meat scraps and other foreign matter. Keep in a cool place. Waste materials should be placed in clean metal containers not glass.

At the market it will be weighed and the housewife will be paid for fats brought in.

LEAVE FOR CUBA

Employees of Dan Cosgrove have been busy this week conditioning his heavy machinery and equipment and loading it onto trains for a journey to Florida. From there it will go to Cuba for eight months work.

Men who will follow for the same period are Mr. Cosgrove, Frank Petala, Jack Wall, Charles Zomer, Joseph Thomas and Frank Giordano of Harding Ave.

Water Safety Class

A Red Cross class in water safety for children will start on July 9 from 10 A. M. to 12 at Branford, Conn. All those who have enrolled and who are going to join the class must have the written consent of a parent. Mrs. Fullerton will be the instructor.

Rents In Branford Area Fixed By Regulations Of Price Control Act

Putting New Roof On, Painting, Papering Not Considered Major Capital Improvements And Do Not Justify Increase Above April 1, 1941 Base Rent.

First Reports On USO Drive Satisfactory

Approximately 25 per cent of the canvassers have completed the USO drive in their districts with collections amounting to \$705. Contributions may be sent to T. L. Cornell, treasurer of the USO, Ad-ditional workers are Anson T. Babcock and Mrs. Michael Zvonkovic.

The Branford USO hopes that the town folks will give generously to the drive because it constitutes that part of the civilian job of winning the war. Branford has many sons in the armed forces, and we must show that we are backing them up.

Canvassers are urged to make final reports within the next few days.

Charles Bradley Dies In 85th Year; Buried Tuesday

Charles S. Bradley, 85 one of Branford's prominent citizens, died Sunday afternoon at 4 o'clock in the summer home of his son, Gurdon Bradley, at Summer Island.

Mr. Bradley had represented Branford in the General Assembly and was at one time active in the civic life of the town. For many years he was engaged in the ice business from which he had retired some time ago. He was a member of the Knights of Pythias, a charter member of the Home Club, and of the Chamber of Commerce.

A retiring gentleman, he lived most of his life at Cherry Hill at the home originally his father's. There he cut ice from three ponds and later leased Supply Pond. Summers he also farmed.

He retired from active business about 20 years ago. He is survived by one son, Gurdon Bradley of Svea Ave., and several nieces and nephews. Funeral services were held Tuesday afternoon at 1:30 in Trinity Episcopal Church. Interment was in Center Cemetery.

The bearers were Robert Bradley, Earl Bradley, Frank Bradley, Louis Zaecher, Reuel Covert and Richard Wakeman.

VIC HUTCHINSON SAILS AS HOST

Through the generosity of Victor Hutchinson of Short Beach some of the Sea Scouts of the ship Emily of Fair Haven and of the Flying Cloud enjoyed a week end cruise to Fort Jafferson, N. Y. on the Cirrus.

They left Johnson's dock at 3 o'clock on Saturday with a crew of eight scouts and Skipper Wilcox of Fair Haven and Skipper Haller of Branford. The Cirrus anchored at 5:30 at Port Jefferson and the scouts pitched camp on the sand dunes and fulfilled some of the Sea Scout requirements to make them eligible for ordinary Sea Scouts.

Scout Rocco of the Fair Haven ship led a message to his homing pigeon and released it.

After breaking up camp the crew cast off in the fog at 1:30 Sunday. They laid a course from Camp Buoy, Port Jefferson to Bell Buoy and so skillfully did Vic plot the craft that Bell Buoy loomed out of the fog at the bow of the ship at 3 o'clock.

Mooring at 3:30 the weary boys shouldered their bags and made for home.

P. O. OPEN

Postmaster Joseph Driscoll has received word that all United States post offices will operate as usual on Independence Day, except that there will be no rural deliveries.

Branford, East Haven, and North Branford are in the New Haven Defense Rental area it was announced Tuesday by Herbert S. MacDonald, Chief rent attorney.

Rents in the area are fixed by regulations issued under the Emergency Price Control Act of 1942, at April 1, 1941 levels.

Automatic stabilizing of rents will function at 216 Crown Street under Director Anthony F. Arpaia.

The Review tried to contact Mr. Arpaia this morning for detailed information but a telephone has not been installed.

Briefly the regulations are: 1. Stores and offices or strictly commercial units in a building are not included in the regulations.

2. In cases where nothing has happened to substantially or materially change the size or character of a dwelling unit, the rent is the rent of April 1, 1941. In such cases the amount of rent should not be difficult to ascertain. Talk to your landlord and attempt to get the information.

3. If the tenant cannot find out what the legal rent is it will be discovered as soon as the Registration Statement is filed by the landlord. Each tenant will get a copy of this Registration Statement.

4. The fact that a tenant is willing to pay an increased rent does not mean that a landlord can accept. A landlord who receives more than the rent which was accepted on April 1, 1941, violates the law.

5. The mere fact that a landlord believes, your tenant believes, or anyone else believes that a dwelling unit is worth more than the maximum legal rent, that is, the rent accepted on April 1, 1941, does not permit the landlord to demand or receive more.

6. Putting a new roof on, painting outside or inside, papering, refinishing or replastering inside of a house are not major capital improvements and do not justify an increase above the April 1, 1941 base rent.

"A very few landlords have expressed resentment feeling that the New Haven Area has been singled out for rent control. New Haven in no sense is unique in having been made subject to Federal control. Tomorrow, July 1, 1942 control becomes effective in 80 areas housing more than one-fourth of our national population. It is plain that we are not dealing with an isolated phenomenon as it affects the New Haven Area. This program, national in scope, is already well under way."

Herbert S. MacDonald, chief rent attorney, has notified all town court judges and justices of the peace to defer action on all eviction proceedings to allow for service of his office. MacDonald asked them to:

Advise him of all summary process or eviction proceedings pending on July 1, 1942, or instituted.

MORE MAIL FOR SOLDIERS

Parents, relatives and friends of members of our armed forces abroad will soon be able to obtain V-Mail letter sheets at the Branford Post Office.

They may then write their messages and affixing the regular postage, deposit them in any post office or other authorized mail depository.

If the V-Mail originates abroad where a filming station is in operation the message will be filmed and transmitted to the nearest V-Mail station in the United States where the films will be reproduced by photography, enlarged to approximately 4X5 1/2 inches.

Branford Grange 200 will meet in Svea Hall, July 9, at 8:30 P. M. All members are asked to bring some article for a white elephant march.

PYROTECHNICS
The Glorious Fourth will be considerably different from earlier celebrations in the sense of sound as well as in that of safety.

The main purpose of fireworks outlasting ordinances in the prevention of accident. This year skyrockets and Roman candles are ordered out of the sky as protection against more serious injuries than the usual Fourth variety.

Children naturally are eager for excitement and fun but they can be shown, by kindly and compassionate adults that safer and equally enjoyable forms of amusement are available.

Many communities are filling this need increasingly with instructive pageants and parades, concerts and dances. To our knowledge little if anything is planned here to replace the usual bang-bang of the day.

DISTRIBUTING THE LOAD
The American people are at last learning one inescapable fact—everyone must help pay for this war. The old slogan, "Sink the rich," no longer has any meaning.

BY THE SEA
We met in the park, one day in the fall. I was sitting alone, on a bench near the wall. The boats passed on, down or 'over the river near-by, blue, reflecting the sky. The leaves had been falling, for over a week.

MORALE
By Wright A. Patterson
When in 1918, to save paper during World War I, it was proposed to reduce the size of all country newspapers to a point where they could carry the news items of their communities, the knowing ones in Washington said "no."

THE BREAKING POINT
You remember the fable about killing the goose that laid the golden egg.

PROTECTING OUR BRAIN-CHILDREN
America has had its great geniuses and administrators like Washington, Sun Houston, Pershing, Admiral Dewey and MacArthur, but equally important have been its inventors and industrial geniuses—heros like Edison, Bell, and Eli Whitney.

AIR RAID RECIPE
We feel sure we'll never need this recipe here in Emporia but an old subscriber, who is Scotch, asks that we reprint it "just in case." It is a recipe from an aged Scotsman for taking a bombing from the "perils." "When the air raid warnings sound, I take the Bible from the shelf and read the Twenty-third Psalm. Then I put on a wee bit of prayer. Then I take a wee drop o' whiskey to steady my nerves. Then I get in bed and pull the covers up. And then I tell the fitter to go to hell."—Emporia (Kan.) Gazette.

THE VERIFORM APPENDIX
Down in the lower right-hand corner of the abdomen is a useless, worm-shaped organ about the size of your little finger, called the vermiform appendix.

THE appendix is a "survival." That is, it probably served a useful purpose in man's earlier history but doesn't any more, although it still persists as a built-in feature of the human body.

THE appendix can cause a lot of trouble. Since it is merely an appendage, or a sort of dead-end alley off the large intestine, it sometimes absorbs poisons which it cannot easily get rid of.

THE appendix has absorbed all the poisons it can stand, it becomes inflamed, and you feel pain. This condition is called appendicitis. Appendicitis may be either chronic (recurring but not severe) or acute. Either condition should be corrected promptly.

ECONOMY IN The Kitchen

Fourth of July Suggests Many Attractive Recipes
Each year thoroughly until set before adding the next 6 servings. For cranberry layers:

- 1 pint bottle cranberry mixture
- 1 cup mixed berries
- 1/2 teaspoon nutmeg
- 1 1/2 envelopes gelatin
- 1 cup sugar
- 1 cup lemon juice
- 1 cup water

Soften gelatin in a little cranberry juice; dissolve over hot water. Add remaining juice and seasonings. Cool; add cranberry mixture.

1 qt. Vanilla ice cream
1 Plain cake

An essential is a two-quart mold with tight cover. Line the mold with the ice cream in a thick even layer; fill with the cranberry mixture; cover and freeze for 24 hours. Unmold; serve on a platter in a ring of sliced plain cake. 6 to 10 servings.

The above map of Connecticut shows the War Bond quotas, by county, for the month of July, 1942. Total War Bond quota for the state is \$25,534,000. With the National quota total placed at a billion dollars, the nation goes into high gear in its support of the War financing and to give our fighting forces adequate implements of war which will bring us victory. American Soldiers, Sailors, Marines and Airmen are giving us 100 percent for their country. What are we doing here on the home front? Are we lending at least ten percent of income to help them? It's very little. But to fight this war successfully our country needs a billion dollars in War Bonds every month from us—the People. Let's Go, America.

Hints For the Holidays

Be sure and make this National Holiday a safe one. Refrain from the use of all fireworks and obey the law by not purchasing bootleg fireworks. Refrain from indulging in dangerous forms of celebration so loss of eyeight may be averted, burns and wounds avoided and in some cases even lives saved. Hiking or camping in unfamiliar places over the weekend may lead to difficulty if one is not familiar enough to avoid the poison ivy plant which has been reported in places around old stumps, walls, fences, etc. Many people are susceptible to the sap of the crushed branches or leaves when they come upon poison ivy plant unawares or attempt to handle it. Just in case this happens, better take along a cake of laundry soap to make a lather to be rubbed on the exposed skin; this will help to wash away the poison before it does any harm. In these and other ways to be a good sport—Don't bring tragedy to yourself and the holiday group.

Merchants Lose To N.H. Senators

An error in the ninth, followed by Joe Peteraki's ground ball single gave the New Haven Senators a hard fought 5-4 triumph over the Branford Merchants in a game which saw 10 more sloppy base runs by the Branforders. The story lies in the fact that the Senators were out hit 10 to 5 and hit only one fly ball out of the infield but still came back to win. Every time a Merchant got on base he was either picked off or out stealing despite the ten base hits. Johnny LaBaski started on the mound for the Merchants and went out in the sixth trailing 3-1 and giving up but four hits. Tommy Hanley relieved him and in the seventh the Merchants went ahead on Bob Sperry's double with two on and Prabhov's single. The Senators tied it up in the eighth on an unearned run and won in the ninth again with an unearned run. Johnny Oleszyk pitched the route for the Senators and although pitched for ten hits his mates played heads-up ball in back of him. Tommy Hanley allowed but one hit in the four innings he worked. Del LaBaski had two for two and Bo Prabhov had 3 for 4 and played a nice game at third. Saturday, July 4th, the Merchants will play the Braves to play the strong Bon-Cores.

Major Averill Issues Orders On Inductions

Until such time as revised regulations are issued by National Selective Service Headquarters to carry out the provisions of the Servicemen's Dependents Allowance Act, Major William P. Averill, Acting State Director of Selective Service, issued instructions today to all Connecticut Local Boards to select registrants for future induction calls in accordance with the expressed intent of Congress. This order Major Averill pointed out will not, however, apply to registrants to whom notices of induction (DSS Form 150) have already been mailed for induction by the Local Board. These notices will be reclassified in accordance with the policy indicated in the Act and as will be shown in the amended regulations which are expected to be received very shortly. The Act, Major Averill said, provides for family allowances for the dependents of enlisted men of the Army, Navy, Marine Corps, and Coast Guard. These allowances accrue from date of induction or from June 1, 1942, if the date of induction preceded that date. These allowances will not be paid until after November 1, 1942.

Category 1: Registrants otherwise qualified who do not maintain a family relationship entitling them to be placed in Category Three or Four but who have persons financially dependent upon them who qualify as dependents under the Selective Service Regulations.
Category 2: Registrants otherwise qualified who do not have children but who do have wives with whom they maintain a family relationship in their homes. It is advisable and consistent with the intent of Congress, Major Averill said, to defer such registrants, provided marriage took place prior to December 8, 1941, and at a time selection was not imminent.
Category 3: Registrants otherwise qualified who do not have dependents, entitling them to be placed in Category Two and who do not maintain a family relationship entitling them to be placed in Category One, and at a time when selection was not imminent.
Category 4: Registrants otherwise qualified who with their wives and children, or with their children alone, maintain a family relationship in their homes provided marriage took place prior to December 8, 1941, and at a time when selection was not imminent.

Chuckles Due With Opening Of Smash Hit

The Man Who Came To Dinner' Due To Open At Stony Creek Saturday Evening.
At 8:30 Saturday evening, July 4th, at the opening night of the Stony Creek Theatre the chuckles will start as breathless Mrs. Stanley duffers in and out of even her first few whimsical lines in "The Man Who Came to Dinner," the Kaufman and Hart smash comedy hit. Mrs. Stanley, played by Bette Runny, means so well, but in spite of plenty depends on her peaceful curriculum when the sarcastically brusque, literary brimstone, Sheridan Whiteside, blazes himself into sheer possession of her household in the first half of the show's presentation. Mrs. Runny's character, the most utterly sweet, servile there ever was, blusters and fumes from the shelter of his newly acquired wealth obtained by the late Mr. Whiteside is the zenith. To the Mesallians, he is frightening, wonderful, a tin God, a hankin, love-ly, originally dedicated to himself. To the audience - well, just wait for their automatic laughter.
Kevin Kemble plays the role that features the Master Magician, "The Great Lester," shown above, left, with his "Revue of Magic Wonders."

At State Theatre

A grand and glorious 4th of July Weekend Holiday Show is playing this coming Friday, Saturday and Sunday, on the stage of the Air-Conditioned State Theatre, Hartford. It's a grand 2 for 1 stage show in the first half of the show's presentation. Mrs. Runny's character, the most utterly sweet, servile there ever was, blusters and fumes from the shelter of his newly acquired wealth obtained by the late Mr. Whiteside is the zenith. To the Mesallians, he is frightening, wonderful, a tin God, a hankin, love-ly, originally dedicated to himself. To the audience - well, just wait for their automatic laughter.

FREE SERVICE STAR CARDS FOR THE FAMILIES OF SERVICE MEN

This Service Star window card should be seen in every home in America that is represented by a father, husband, son or brother in the Armed Forces of the United States. It emphasizes America's pride in those who are serving our country in time of war.
BLUE SILVER OR GOLD
The Blue Star indicates service in the Army, Navy or Marine Corps within the boundaries of the United States.
The Silver Star denotes service outside the continental United States, either on the high seas, in the United States possessions, or on foreign soil.
The Gold Star is America's tribute to those who make the supreme sacrifice under the Stars and Stripes in time of war.
You are entitled to display the proper star for each member of your family serving in the Armed Forces of the United States of America. For example, if you are the parent of one boy in camp in the U.S.A., you are entitled to one Blue Star. If you have two sons in service—one in the U.S.A., and one outside the U.S.A.—you are entitled to a Service Star card bearing one Blue Star and one Silver Star.

HOT CASSEROLE to take on a picnic

by Dorothy Greig

EVEN though we all work like fury from now to the end of the war, we'll still have free time now and then to sniff the flowers, laze in the sun and go on picnics.

Hot Spaghetti Casserole makes hit as picnic main dish.

And when we picnic, whether in our own backyard or far afield, we can have really appetizing food. Hot food, such as the dish we describe below, hot coffee or soup to be carried along in the thermos bottle, sandwiches made right on the spot—it's simple to pack a fresh loaf, butter and several spreads for these. Then, too, waxed paper cups are just made for salads—to be eaten right out of the container.

In other words, a picnic meal can be as nourishing, well balanced and as inviting as any other meal. It takes a bit of managing. Now for the hot casserole. The trick here is to cook it at a high temperature. Then slip it, hot from the oven into the thickness of heavy paper wrapped quickly and thickly. Lay the dish snugly hot for a few cuts. Or, if you have baked in an electric cooker, take it straight light in the cooker.

- Spaghetti Casserole**
- 1 clove garlic, chopped fine
 - 1 medium size onion, chopped
 - 2 tablespoons cooking oil
 - 4 ounces beef, ground
 - 1 can condensed tomato soup
 - 1 can condensed corned beef
 - 1 package (10 oz.) spaghetti, cooked
 - 8 tablespoons sharp cheese, grated
 - Salt and pepper
- Cook garlic and onions in the oil until lightly brown. Add ground beef and cook until browned. Then add the tomato soup, corned beef, pepper and 3 tablespoons sharp cheese. Mix the cooked spaghetti with the tomato-meat mixture and put into a casserole dish. Mix 3 tablespoons grated cheese in cover, and put into a moderate (350°) oven for 30-40 minutes. Casserole and spaghetti lightly heated. Serves 6-7.

THE RIDE EXCHANGE

We will run free advertisements the next few weeks for those who either want a ride or have room in their cars for extra riders.

The number of advertisements may be small but we imagine that some will be forthcoming during the next few weeks. The slogan of the "Ride Exchange" is NEVER LEAVE TOWN WITH A VACANT SEAT IN YOUR CAR.

If you plan to go somewhere this coming week, send in an Exchange ad, telling where you want to go, and your telephone number. We'll run the ad, and perhaps through it you'll locate someone who is going to the same place the same day. Get together with them, and save gas and tires. Let us repeat, the ad will be run free during the next few weeks. Here are a few ads:

Services in the local churches on Sunday morning will be:

Masses at 7, 9:15 and 11 o'clock at St. Augustine's R. C. Church, Rev. John J. McCarthy pastor, Frank Frawley, organist and choir director.

Holy Eucharist will be celebrated at 10 o'clock at Zion Episcopal Church, Rev. Francis J. Smith, Rector, Mrs. Paul R. Hawkins, organist and choir director.

Morning worship will be at 11 o'clock at the Congregational Church, Rev. George D. Lesley, pastor, Mrs. Douglas B. Holabird, organist and choir director.

Word has been received that Dominic Marrone, recently inducted into the U. S. Army has already achieved the rating of First Class Private.

The Salvage Committee has continued the days for disposing of scrap metals, rags and rubber and materials now donated will be sold for the benefit of the local Boy Scouts. Mrs. Jonathan Hunt will call for the materials if notified by calling 735-13.

Troop No. 2 of Boy Scouts has been organized in North Branford with Captain Jonathan Hunt as chairman of the Scout-Committee. He is being assisted by Rev. George D. Lesley, Rev. Francis J. Smith, and Rev. John J. McCarthy, William R. Wharton, Bernard Meyerwitz, Alexander McKernan, and Carl Nagel.

Scout Master Arthur Sperry is in charge of the boys and is being assisted by Emerson Surprenant. Charter scouts are Andrew Amatrudo, Edward Amatrudo, Charles Aaronson, William Aaronson, Joseph Battista, Robert Colter, Anthony DeCunto, Paul DeCunto, Ward Hill, William Hunt, Harold Priskey, William Wharton, Jr., and Frank Whitney. Meetings are now held in the club house.

Totoket Grange will hold a "Poverty Party" following the business session on Tuesday night in the town hall. Mr. and Mrs. George Linsley, Burton Hall, Miss Vera Barker, and Miss Louise Rausch are in charge. Every member is asked to attend dressed in poverty stricken clothes. A prize will be awarded for the most poverty stricken appearing member. A fine will be assessed on all those who do not dress the part. Women are asked to bring a lunch for two in a piece of cloth.

Twenty-six members of Totoket Grange neigbored with Branford Grange on last Thursday night and presented a part of the program.

Grange Sunday was observed by a meeting in the town hall on Sunday evening. All pastors in town were active participants in the program and hymns of all churches were sung. Over 150 persons attended this hymn sing and devotional service.

The Lucky Thirteen 4H club will sponsor a three cent supper in the near future. Money raised will be used toward paying the expenses of several members at the Short Course in the University of Connecticut later in the month. Friends of the club are invited to assist in furnishing food for the supper.

Training for Victory

By Rufus T. Strohm

Dean, International Correspondence Schools

NOT only representatives of management but individual workers should be guided by comments made recently by Paul V. McNutt, head of the new Man Power Commission. He said:

"For every skilled tool designer now available, we need fifty-one. For every tool maker now available, we need twenty-five. For every marine machine now available, we need twenty-two, and so on down a long list of key jobs."

Mr. McNutt said that 17,500,000 new workers must join war plants before the end of 1943, 10,000,000 of them before the end of 1942. He also forecast some form of labor draft when he said "compulsion may be necessary from time to time" to shift these millions into war production.

It is agreed by many authorities that the best training is on the job and in the plant. Study, too, should be directly related to the job.

Most of the required workers can not be trained in a few weeks or months. They will be taught multipulative skills. And many of them can and should qualify for better paying jobs as the result of intensive training supplemented by study.

Rufus T. Strohm

and may call Mrs. Alfred Bahnsen, phone 239-5.

The Rationing Board is now issuing sugar certificates for July and August to individuals and institutional users and will continue to do so until July 5, and all those who have not gotten their supply are asked to do so at once.

Canners are notified that sugar certificates are now available for use in the canning of currants, raspberries, and other seasonal berries.

The new gasoline rationing registrations will be taken on July 9, 10, and 11. For the convenience of residents, and for the conservation of gasoline and rubber two schools will be open for this registration, William Douglas School for residents of Northford, and the Center School for residents of North Branford.

The North Branford File and Drum Corps will participate in the State File and Drummers Convention in Waterbury on Saturday.
